APPLICATION VERSE:
John 14:6

EXPLORE WITH YOUR FAMILY:

This simple object lesson reinforces the destruction of sin. Use a hammer to smash an object (one that will be easily damaged) one time. If there are going to be flying pieces, put the object in a bag for safety. Remind family members how sin separates us from God and controls what we think and how we act. Talk about how sin affects more than just the sinner; it affects those around him or her. Look at the smashed object and relate it to the damage our sin creates.

TODAY I LEARNED . . .

Sin causes us to miss the mark of God's holy standard.

NEXT STEP

Live my life so others can see God's grace in it.
